COMPANY PROFILE

Your Reliable Partner for Hotel Supplies Sourcing

Guangxi Zhihe Information Technology Service Co., Ltd. provides hotel supplies wholesale, customization and export sourcing services for hotels, resorts, apartments and hospitality projects worldwide.

Based in Guangxi, China, Zhihe helps overseas buyers source practical, well-presented and cost-effective hotel supplies. From product selection and sample confirmation to quality inspection and international delivery, we coordinate the complete purchasing journey through one professional contact.

Hotel Supplies Wholesale & Custom Sourcing Partner

8+ Years

in sourcing & export service

markets served

Connecting Global Hospitality Buyers with Reliable Supply

We are not a single factory. We are a sourcing and export partner that coordinates qualified production partners around your project, so buyers get one contact, one specification and one delivery plan.

Customers we supply

- Hotels
- Resorts
- Boutique Hotels
- Serviced Apartments
- Restaurants
- Hospitality Distributors

Business scope

- Product selection & specification
- Bulk purchasing & quantity planning
- OEM / ODM and private label
- Packaging & logo customization
- Sample confirmation & quality inspection
- Export documents (CI / PL / CO / Form A / E)
- Shipping & logistics coordination

Source with confidence. Deliver a better guest experience.

A steady build in hospitality supply

- 2016** **Founded in Guangxi, China**
Started with a focus on international product sourcing.
- 2018** **Expanded into hospitality supplies**
Built a stable supplier network for guest room and bathroom products.
- 2020** **Added custom packaging and logo services**
For boutique hotels, distributors and private-label collections.
- 2022** **Established a project sourcing process**
Formalized samples, quality inspection and export coordination.
- 2024** **Expanded product coverage to 300+ SKUs**
Supporting buyers in 18 international markets.
- Today** **Building a more responsive supply service**
Continuing to invest in product range, quality and delivery reliability.

One team, one contact

- Procurement & product selection
- Quality control & inspection
- Export sales & documentation
- Logistics & shipping coordination
- Customer service & after-sales

Multilingual communication and cross-time-zone response, from first quotation to shipment follow-up.

Source with confidence. Deliver a better guest experience.

WHY CHOOSE US

Why buyers build a long-term list with us

01

Buyer-focused selection

We shortlist only the products that fit your property type, room count, budget and opening date.

02

Sampling before production

Stock sample in 3–5 days; custom sample in 7–12 days. Specification is sealed before bulk.

03

Controlled quality

Material check, inline inspection and pre-shipment inspection under AQL 2.5 major defects.

04

Export documents ready

CI, packing list, CO / Form A / E and requested test reports are prepared with the shipment.

Textile production

Guest room linen, towels and bathrobes

Amenity filling

Bathroom amenities and toiletries

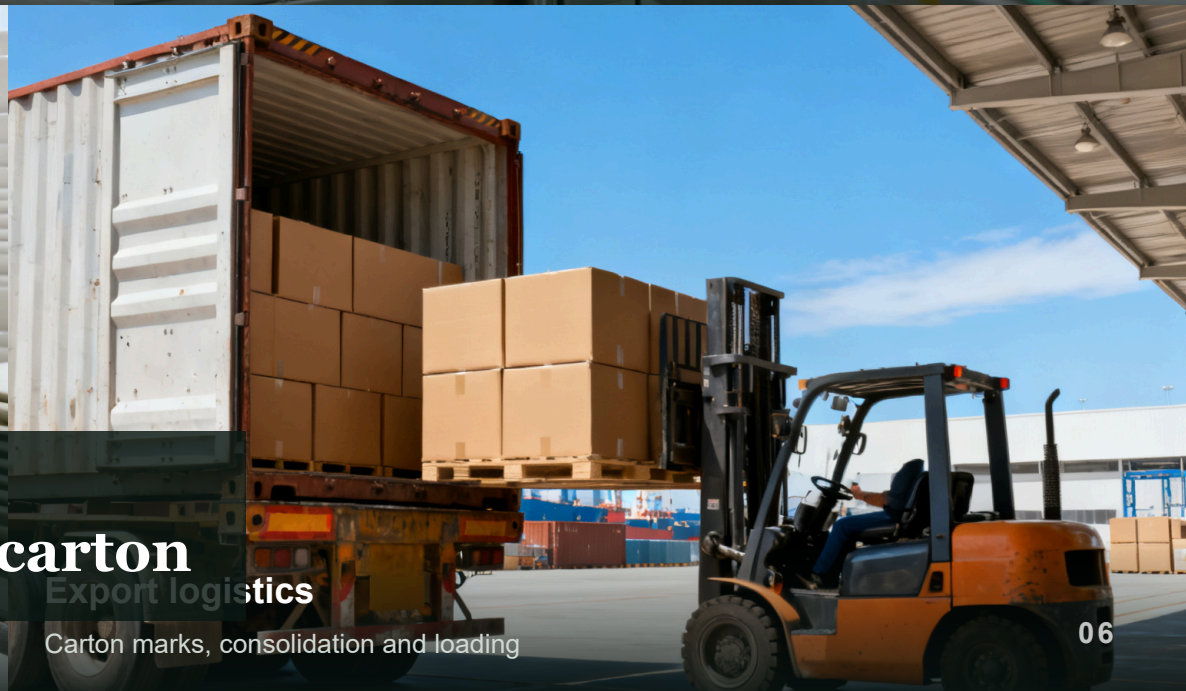

PRODUCTION & QUALITY CONTROL

From approved sample to sealed export carton

Tableware line

Porcelain, glassware and buffet items

Export logistics

Carton marks, consolidation and loading

SELECTED COLLECTION

Product Catalog

143 selected products across 8 supply categories — guest room, bathroom, room supplies, restaurant & kitchen, tableware, housekeeping and outdoor ranges.
